LifeHouse Theater

Making A Dramatic Difference

CELEBRATING 30 SEASONS OF MAKING A DRAMATIC DIFFERENCE

In 1993, Wayne Scott incorporated LifeHouse Theater as a non-profit community theater company. 30 years later, the theater has grown into an **Inland Empire attraction**, with an outreach that extends **worldwide**.

LifeHouse is an award-winning, faith-based theater guided by historic Judeo-Christian perspectives and values. Throughout these 30 years, LifeHouse Theater has produced over 50 original plays and musicals, adapting some of the most beloved stories from history, literature, and the Bible aimed at a new audience looking for quality entertainment that inspires the moral imagination. Highlights include "Phantom of the Opera," "Ben-Hur," "Beauty and the Beast," "The Hiding Place," "Anne of Green Gables," "Treasure Island," and "Joseph." Many **Broadway classics** have also been presented at LifeHouse Theater including "The Sound of Music," Disney's "Mary Poppins," "To Kill A Mockingbird," "My Fair Lady," "Seussical," Disney's "Newsies," and "Seven Brides for Seven Brothers."

Unique in the nation, LifeHouse is an independent, interdenominational theater whose plays and musicals are exclusive, original productions seen by over **30,000 guests** each year. More than **500 volunteer actors** comprise our casts of storytellers and join gifted artists, technicians and support staff from all walks of life to stage redemptive, inspirational stories.

The **outreach of LifeHouse spans the globe** through the **SmartLifeStyle TV** channel as a number of our original productions, as well as the original program "'A New Day' with Dr. Tammy," are broadcast internationally. Additionally, **LifeHouse Theater-on-the-Air** distributes original audio dramas on CDs and through digital downloads. **LifeHouse Scripts** license the scripts of LifeHouse Theater which produced throughout America and in countries all over the world.

LifeHouse Theater makes an **Inland Empire impact** as well, awarding thousands of dollars in **scholarships**, and giving complimentary passes to **charitable organizations** such as the Ronald McDonald House of Loma Linda, Salvation Army, and YouthHope.

A commitment to education continues at LifeHouse Theater through the **LifeTales educational musical biographies** for students, which have been performed for thousands of students and offer a fun, educational field trip opportunity for schools. LifeHouse has also partnered with Michael Milligan to offer the **StageRight and Team Broadway theater and dance classes** for children and adults.

LifeHouse Theater continues to have a strong presence **online**. In addition to our online ticketing site, information for LifeHouse can be found at lifehousetheater.com, theaterscript.com, lifehouse.tv, and theaterontheair.com. LifeHouse is also on social media through FaceBook, Instagram, Twitter, and Pintrest.

LIFEHOUSE PRODUCTIONS INC. is a family of creative artists from the Inland Empire. We are committed to producing dynamic, dramatic experiences championing the moral imagination as informed by Judeo-Christian traditions. LifeHouse is an independent non-profit corporation funded by ticket sales and the support of volunteers and community patrons.

MESSAGE FROM THE PRESIDENT

Welcome to LifeHouse Theater! We are delighted you have joined us and we look forward to sharing many memorable experiences here with you, your family and friends.

Today, we launch our 30th anniversary season with our own award-winning musical rendition of what scholars believe to be the oldest “fairy tale” of all time -- the enchanting story of “Cinderella.” Originating in ninth century China, “Cinderella” is also the most widely translated fantasy story. More than 100 versions of the tale in dozens of languages have flourished around the world

through the ages.

This great “godmother” of all fairy tales has meant many different things to many different cultures and people over the years. During the Middle Ages, for example, European versions of the story do not feature Cinderella attending a fancy ball -- she goes to church instead. Each version is often a reflection of the society retelling the story. Our own version is faithful to the nineteenth century Charles Perrault (French) rendition most of us know today. And, of course, our excursion into this magical realm begins with “Once Upon a Time...”

Our production of “Cinderella” is special to all of us at LifeHouse because it was one of our earlier original musicals and it too reflects our own hopes and dreams for this production company. Nearly every song contains the word “dream” and with this production we began planting seeds of hope for what our organization might and has become. With God’s help, dreams do come true! And we’re so grateful you are a part of the LifeHouse family of dreams-come-true!

Be sure to join us throughout our exciting new 30th season, which includes original award-winning productions of “Scrooge,” “Phantom of the Opera,” “Anne of Green Gables,” “The Hiding Place,” Broadway’s “Fiddler on the Roof” and the regional hit “Little House on the Prairie” along with the world-premiere musical, “The Genesis Story.” Money saving season passes for an amazing array of productions are on sale now!

God bless....
