LifeHouse Theater

Making A Dramatic Difference

CELEBRATING 31 SEASONS OF MAKING A DRAMATIC DIFFERENCE

In 1993, Wayne Scott incorporated LifeHouse Theater as a non-profit community theater company. 31 years later, the theater has grown into an **Inland Empire attraction**, with an outreach that extends **worldwide**.

LifeHouse is an award-winning, faith-based theater guided by historic Judeo-Christian perspectives and values. Throughout these 31 years, LifeHouse Theater has produced over 50 original plays and musicals, adapting some of the most beloved stories from history, literature, and the Bible aimed at a new audience looking for quality entertainment that inspires the moral imagination. Highlights include "Phantom of the Opera," "Ben-Hur," "Beauty and the Beast," "The Hiding Place," "Anne of Green Gables," "Treasure Island," and "Joseph." Many **Broadway classics** have also been presented at LifeHouse Theater including "The Sound of Music," Disney's "Mary Poppins," "To Kill A Mockingbird," "My Fair Lady," "Seussical," Disney's "Newsies," "Fiddler on the Roof," and "Seven Brides for Seven Brothers."

Unique in the nation, LifeHouse is an independent, interdenominational theater whose plays and musicals are exclusive, original productions seen by over **30,000 guests** each year. More than **500 volunteer actors** comprise our casts of storytellers and join gifted artists, technicians and support staff from all walks of life to stage redemptive, inspirational stories.

The **outreach of LifeHouse spans the globe** through the **SmartLifeStyle TV** channel as a number of our original productions, as well as the original program "'A New Day' with Dr. Tammy," are broadcast internationally. Additionally, **LifeHouse Theater-on-the-Air** distributes original audio dramas on CDs and through digital downloads. **LifeHouse Scripts** license the scripts of LifeHouse Theater which produced throughout America and in countries all over the world.

LifeHouse Theater makes an **Inland Empire impact** as well, awarding thousands of dollars in **scholarships**, and giving complimentary passes to **charitable organizations** such as the Ronald McDonald House of Loma Linda, Salvation Army, and YouthHope.

A commitment to education continues at LifeHouse Theater through the **LifeTales educational musical biographies** for students, which have been performed for thousands of students and offer a fun, educational field trip opportunity for schools. LifeHouse has also partnered with Michael Milligan to offer the **StageRight and Team Broadway theater and dance classes** for children and adults.

LifeHouse Theater continues to have a strong presence **online**. In addition to our online ticketing site, information for LifeHouse can be found at lifehousetheater.com, lifehousescripts.com, theaterontheair.com and our own YouTube channel. LifeHouse is also on social media through FaceBook, Instagram, and Twitter.

LIFEHOUSE PRODUCTIONS INC. is a family of creative artists from the Inland Empire. We are committed to producing dynamic, dramatic experiences championing the moral imagination as informed by Judeo-Christian traditions. LifeHouse is an independent non-profit corporation funded by ticket sales and the support of volunteers and community patrons.

MESSAGE FROM THE PRESIDENT

We're so glad you joined us today as we journey together down the yellow brick road to Oz! Whether you're one of our hundreds of veteran season subscribers, or here for the first time, we're delighted to welcome you today and we look forward to sharing many memorable experiences with you at LifeHouse.

Though the 1939 film was not considered a success in its day, the advent of television and subsequent "Oz" broadcasts propelled it to icon status as the story became a virtual staple of childhood. The original of this beloved tale is also rooted in childhood - the childhood of the novel's author, L. (Lyman) Frank Baum (1856-1919).

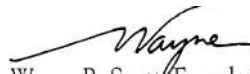

Young Frank grew up in a wealthy home, the privileged son of an oil baron. The family lived in luxury on a sprawling country estate his mother called "Rose Lawn." All seemed perfect until the day Frank wandered into his father's grain fields and began exploring. He suddenly bumped into a stranger and looked up to see a frightening figure towering over him, rigid, silent, and leering with a sinister stare. He ran home and every night for many months, Frank had the same nightmare: the stranger chased him through his father's fields.

Baum eventually outgrew the nightmare and became a father himself. He was loved by all who knew him and he was especially appreciated by his children because of the amazing stories he invented and masterfully told. He created a vivid fantasy kingdom for his eager young listeners and told of a happy place engulfed in green as he drew from his memories of Rose Lawn. The stranger of his youthful nightmares also reappeared in Baum's stories - tamer and no longer threatening - as Baum realized the figure that once chased him in dreams was in reality nothing more than a scarecrow.

And when one of his children asked the name of the wonderful kingdom, Baum's mind raced and his eyes finally darted toward a file cabinet. He blurted out what he read on the lowermost file drawer: "O-through-Z." And thus OZ was born! We trust you'll enjoy returning with us today to this fanciful kingdom of Dorothy's imagination and discover how the power of faith leads to "that special Home Beyond our hopes and dreams."

Be sure to join us next for Broadway favorite, "The Music Man" followed by the world-premiere of "Jonah!" to close out our 31st Season. Then don't miss any of the incredible productions of our 32nd season including "You're A Good Man, Charlie Brown," "Scrooge!," "Beauty and the Beast," "Ruth," "Seven Brides for Seven Brothers," "Pilgrim's Progress," "Winnie the Poohsical," and "The Little Mermaid."

God bless....

Wayne R. Scott, Founder and President
